Frankfort Pool Rooms Closed.

A moral move has struck Frankfort. Mayor Dehoney has ordered Chief of Police Max Williams to close the pool rooms. There was no raid, but the proprietors of the two pool rooms were instructed to stop, which they agreed to do.

Mayor Dehoney states that he was in ignorance of the pool rooms' existence until he received several anonymous letters which caused him to investigate.

Two silly young things were married a few days ago in Greenup—Jonathan McCloud, aged 80, of Smith county, Va., and Mrs. Anna Logan, aged 74, of Greenup.

The weather conditions throughout the country were generally favorable last week and there was a marked improvement in crops, except in the Middle and South Atlantic and East Gulf States and Tennessee, where floods caused some damage.

The pupils of the Christian Church Sunday-school held their annual picnic in the large yard adjoining the residence of Dr. Frank Fithian yesterday afternoon. It was one of the most enjoyable picnics the school has ever held. Games of all kinds and swinging were indulged in which gave the youngsters an appetite for the sumptuous dinner which was served on the lawn under the shade of the trees.

VACATION.—For your summer outing allow us to suggest Colorado, famous the world over for its cool and invigorating climate, magnificent mountain scenery and picturesque summer resorts, which are located along the line of the Denver and Rio Grande Railroad, "The Scenic Line of the World." Very low excursion rates and "Circle" tour tickets are on sale during summer months, via this line, to all the principal points of interest. The Denver & Rio Grande with its numerous branches penetrating the great State of Colorado, has 37 different "Circle" tours through the Rocky Mountains, one of which in particular is the famous 1,000 mile tour for \$28, which comprises more noted scenery than any similar trip in the world, passing the following points of interest: La Veta Pass, Poncha Pass, Toltec Gorge, Indian Reservations, Durango-Manitos Canon, Rico, Lizard Head Pass or Las Animas Canon, Silverton, Ouray-Cimarron Canon, Black Canon of the Gunnison, Marshall Pass and the Royal Gorge. This trip can be comfortably made in five days, but at least ten days ought to be devoted to it, so as one may leisurely inspect the principal sights. Very low rates are also on sale to Salt Lake City, Utah. If you contemplate a trip through Colorado or Utah, let us send you some beautifully illustrated booklets, free. S. K. A Lively Old Man.

(Harrodsburg Democrat.)

Perry Carter is the proud father of the baby that took first prize at the Lawrenceburg fair for being the handsomest baby. After the awarding of the prize Mr. Carter made a speech. He said he was 72 years old, and was living with his fourth wife, two of the others having been divorced and one being dead. He said he was not counting the three wives that had run away from him. He was the father of 14 children, and had never harmed a hair of any one of his wives.

As Col. Craddock would say, this is not our Perry.

Gray Hair

"I have used Ayer's Hair Vigor for over thirty years. It has kept my scalp free from dandruff and has prevented my hair from turning gray."—Mrs. F. A. Soule, Billings, Mont.

There is this peculiar thing about Ayer's Hair Vigor—it is a hair food, not a dye. Your hair does not suddenly turn black, look dead and lifeless. But gradually the old color comes back,—all the rich, dark color it used to have. The hair stops falling, too.
